HEART OF CARE

COMMUNITIES

Which Services Are Right For Me?

Independent-Living

is best suited for seniors who want to maintain independence but want to support social contacts. Ahva Living offers this and more!

Our independent community and our amenities are attractive and affordable.

Residents may come and go as they please and live worry-free, knowing their apartment is in a secure building.

We do the cooking, laundry, and maintenance at a reasonable price. Base cost includes rent with utilities including cable (but not telephone.)

Assisted-Living

is designed for seniors to remain social, maintain privacy, and independence in their apartment with the support they need. Each assisted-living resident has an individualized care plan; our staff is available and on-site 24 hours a day with medication administered to residents by licensed nurses.

Respite Apartments

are available to our Assisted Living and Moments Memory Care residents and feature a full kitchen, bathroom, and spacious living area. The Moments Memory Care respite apartment features a fully furnished private bedroom and a private bathroom with access to the community room and a secure outdoor patio.
